MARYVILLE, MISSOURI, SATURDAY, MAR. 10, 1917.

TWO-THIRDS GIVEN

FEW HOURS' COLLECTION ALMOST ASSURES BAND'S STAY.

JOB HAS BEEN EASY

W. C. Pearson Says That Few Persons Refused to Contribute to the Fund, So Far.

Two-thirds of the money necessary to keep the Fourth Regiment band in Maryville, has already been pledged although the committee has worked but a few hours each day for three days. This is a splendid testimony, not only to the band boys who made a great showing on their return from the border, but also to the spirit of the Maryville people, who realize the value of a band in the town and who will do almost anything to keep it here.

Mr. Pearson, who with Mr. Buhler, is doing the collecting said today that the task of getting the money was easy and that nearly every business place visited up to this time had willingly and gladly donated to the cause, and that only three persons had refused to donate to the fund. Mr. Pearson also said that about forty-five business men who were sure to give their share toward keeping the band, had not yet been seen, but would be approached on the matter within the next few days. These men will no doubt make summer concerts in Maryville a certainty.

Added to the roll of honor yesterday were: Edwards Cafe, Capt. Charles Hyslop, Dr. C. D. Koch, C. L. Gann, E. C. Phares Lumber company, R. S. Branigan, Charles Buhler, D. O. Fruit, Dr. Jesse Miller, Montgomery-Lyle Clothing company, Cook & Cummings, W. R. Tilson, Fred Yeomans, Judge W. H. Conn, Hanamo Telephone company, J. L. E. Dean, L. A. Denny, Henry Cook, McCaffrey & Swords, H. L. Raines, Democrat-Forum, W. W. Jones, G. B. Roseberry, James T. Wells, D. E. Hotchkiss, Sisson Loan & Title company, G. L. Lytle.

SEASON DEVELOPS A STAR

Loren Egley, Captain of High School Basketball Team Scored 186 Points in Ten Games

The game last night closed the season for the High School. Ten conference games were played with the strongest teams that could be found. Two games were won from Stanberry and Chillicothe and one from King City. Two were lost to Albany and St. Joseph Benton and one to King City. This gives a record of five games won and five lost, a percentage of .500.

The season can not be regarded otherwise than successful. Had it not been for injuries and sickness in the last part of the season, the team would have made an even stronger showing. In the ten games the team scored 390 points to their opponents' 274.

The season developed a real star in the person of Loren Egley, who captained the team. In the ten games in which he took part, this youth scored a total of 186 points. His record for field goals is 67, an average of almost seven per game. He also tossed in 52 free throws during the season. When the strength of the opposition is taken into consideration this season's performance seems phenomenal.

Egley will be in school again next year and should have an even more successful season. He is said to be slated for an All-star berth, the second Maryville man to win the coveted position in as many years.

PRaises MISS ETHEL WELLS

Manager of Bluebird Photoplay Says She Had It Over Most of the Contestants.

George H. Bowles, manager of the Bluebird Photoplays Company, speaks very highly of Miss Ethel Wells, who was sent by the Fern Theatre management to compete in the Picture Show Contest in Kansas City the first of the week. Mr. Bowles writes: "I was mighty glad to meet Miss Wells, and found her a very captivating young woman. Sorry she could not be the young lady selected to go to Universal City, but to my mind she had it over most of the contestants. It was impossible to have pictures taken with some of the stars, as we were all rushed to death and did not have as many as we expected."

MAY BE CHAMPIONS

NORMAL STANDS A GOOD CHANCE FOR BASKETBALL HONOR.

WON 5 GAMES; LOST 2

Championship Committee Will Decide Chances With Those of Springfield and Central-Westleyan.

Although the Normal basketball season has closed they may yet win the championship of the Missouri Inter-Collegiate Athletic association. Prof. Walter Hanson this morning received a letter from Dan Nee, president of the association, asking for the standing of Maryville, Springfield and Central Westleyan, in order that the Championship committee may award the championship now instead of after school closes. He stated that the championship lay between the three above mentioned teams.

Maryville now has a record of five games won and two lost. Springfield, which is now leading the conference, was defeated Thursday night by Drury, score 28-27. This defeat places Maryville in the running for championship. Springfield had already lost one game and they have one yet to play, with Central Westleyan. If Central wins, Springfield will be eliminated and the championship will lie between Central and Maryville.

Prof. Hanson, who is secretary of the association, has not yet received Central's report for the season, but he believes that the championship will be awarded to Maryville should Springfield lose to Central. In case a tie results, it will be played off at Kansas City on a neutral court, probably on that of the Kansas City Athletic club.

AGAINST BAPTIST PREACHER.

Feeling Runs High Against Minister Who Elected With Young Girl. Special to The Democrat-Forum.

Moultrie, Ga., Mar. 10.—Feeling is running high here today against the Rev. J. J. Adams, 50 years old, and a Baptist minister, who eloped three weeks ago with a seventeen-year-old girl and wandered about near by in the country until his money gave out. A heavy guard was placed around the jail.

H. S. SCORE 36-11

KING CITY QUINTEt COMPLETELY OUT-CLASSed LAST NIGHT.

EGLEY'S GOOD SHOWING

As Forward He Piled Up Ten Goals, Nine of Them in the Last Half.

The Maryville High School basketball team successfully closed its season last night by defeating the King City quintet by a score of 36-11. After the first five minutes of play the game was never in doubt. After seeing the two teams in action, the greatest wonder is how King City ever managed to beat Maryville in the game at King City.

In the first half both teams played poor basketball. King City scored first on a field goal by Crume. Maryville soon tied it up on a field goal by Holmes and a moment later Egley tossed in a free throw that put Maryville in the lead. From that time on King City was never dangerous. Still the game was close enough to be interesting. The half ended with the score 14-9 in favor of Maryville.

In the first half the dash and spirit which has characterized the team's playing throughout the season was lacking. But when the second half began, spectators saw a new team. Egley who was badly off form during the first part of the game was distinctly "right," and with the team putting up one of the classiest exhibitions of floor work they have ever shown, the King City team was completely outclassed.

The whole Maryville team was playing in championship form. The guards kept the ball out of the hands of their opponents and the King City forwards were unable to score a single field goal. The score for the second half was 22-2. King City making both their points on free throws.

For Maryville, the shining light was Egley. As stated before he was badly off in form in the first half, but in the second he tossed in goal after goal until he piled up a total of ten goals, nine of them coming in the last half. He also made four free throws out of nine chances.

Holmes played a good guarding and passing game as well as making three field goals. Groppe, as usual, was the center around which the floor work for Maryville revolved. He also shot one field goal.

The work of the Maryville guards has already been commented upon. Besides holding his man scoreless, Martin bagged two beautiful long shots. As for Woodward, it is enough to say that he played his usual game. When he was forced to take time out because of a slight injury, a feminine voice was heard to cry out in tragic tones, "Oh, Rusty! We can't lose you."

For King City, Crume starred with three field goals and three free throws out of eleven chances. Gray at guard also showed up well. He made one field goal.

The line-up for last night's game was as follows:

King City—Forwards, Crume and Aldridge; center, Campbell; guards, Ward and Gray.

Maryville—Forwards, Egley and Holmes; center, Groppe; guards, Woodward, Martin and Pickens.

MISS PORTER TO OREGON.

Miss Hazel Porter will leave soon for The Dalles, Oregon, where she has accepted a position as saleslady in the J. C. Penny and Company Department Store. Roy Otis, formerly of Maryville, is manager of this store.

BLOCK THE SENATE

APPROPRIATION BILLS PREVENT ADJOURNMENT OF LEGISLATURE.

TOO MUCH MONEY WANTED

House Bills Now Pending Call for the Expenditure of \$2,000,000 In Excess of Revenue.

Special to The Democrat-Forum.

Jefferson City, Mar. 10.—The appropriation bills are blocking an early adjournment of the senate. If these bills were passed the senate could adjourn tomorrow. This means that most of the administration measures have received consideration and are well along on their way to Governor Gardner. However, the calendar still is jammed with bills of lesser importance that are awaiting final consideration.

Final adjournment date depends entirely upon the appropriation bills. In this connection, the governor has hinted that, both in the house and senate, too many bills calling for the expenditures have been introduced. In the house alone bills now pending in the Committee on Appropriations call for a total estimated expenditure by the state for 1917 and 1918 to \$17,000,000, or more than \$2,000,000, in excess of the revenue estimated for the two years.

Governor Gardner today reiterated his statement that he would not sign an appropriation bill carrying a greater total than the estimated revenue. "The legislature will have to cut the appropriations or I shall do it," the governor said.

MARYVILLE IS WRITTEN UP

Merchants Trade Journal Carries 2-Page Article On "How We Do Things in Maryville."

Maryville as one of the most enterprising cities of her size in Missouri is rapidly taking her place in the world of publicity, and it will not be long before "How do they do in Maryville" will be a common question, when cities wish to start anything.

The Merchant's Trade Journal of this week has a 2-page article, dealing with our successful Trade Week, held just before Christmas. Shortly after we had put Trade Week down on our list of successful 1916 accomplishments, a representative of the Trade Journal came to Maryville to find out how we did it. He investigated the situation from every angle and his article is full of praise for the Commercial club, for the merchants and for the citizens, who helped the movement by trading in their city or county. Of the Commercial Club, he writes:

"To the Maryville Commercial Club, and to its secretary, E. M. Claypool, must be given the credit for Trade Week advertising, together with the co-operation and enthusiasm which the majority of the merchants put forth to make the affair a success."

About the Commercial Club in general, he writes:

"Maryville bears the distinction of having a greater percentage of residents as members of the Commercial Club than the average town or city over the country. The average percentage of the population in the majority of towns is 1.5-10 per cent, while in Maryville it is 1.7-10 per cent."

A complete explanation of the Commercial Club credit-rating system completes the article.

Murray Welling will go to Graham to visit over Sunday with his parents, Mr. and Mrs. Fred Welling.

IT WILL GET THEM.

ABOUT ALDERMAN-YEHLE

St. Joseph Service Magazine Writes of Business Enterprise of One of Maryville's Stores.

The St. Joseph Service Bureau Bulletin has the following about one of Maryville's stores in its issue this week:

"Alderman-Yehle Dry Goods Company, Maryville Mo., wanted to build a foundation for a good mailing list. They didn't want a mere collection of general names. This store does a good business in dress patterns. That department is not profitable in itself, but it does help considerably in turning the sale of dress goods, trimmings and the like. In fact it is one of the best little trade boosters they have around the store."

"Mr. Yehle in casting around for some suitable starting point to gather names for his direct-by-mail publicity, bethought himself of his dress pattern customers. Why should they not know some likely prospects? That is exactly where he commenced! He figured that with spring only a few weeks off his first letter could be devoted to his dress goods stocks. So each woman who bought a dress pattern received a letter asking her to send in the names and addresses of twenty-five of her friends who would like to receive a Pattern Fashion sheet. In return for the names the woman was to receive a pattern free."

"In this way the store secured over 1,000 names as counted after the duplicates had been eliminated. They still look for more. And the entire cost of the enterprise was not over \$20. We consider that a good piece of business."

APPLAUD ZIMMERMAN.

Special to The Democrat-Forum. Berlin, Mar. 10.—German newspapers almost without exception, applaud that part of Foreign Secretary Zimmermann's statement to a Budapest newspaper, in which he said: "It's up to Wilson. We have said our last word. We are determined that the U-boat war shall end victoriously."

FALL OF BAGDAD RUMORED

No Official Confirmation of Reported Capture of City—Turkish Army in Bad Shape.

Special to The Democrat-Forum.

London, Mar. 10.—Rumors that Bagdad has fallen into the hands of the British are in general circulation in military circles but the war department has given out no confirmation.

The Turkish army in Mesopotamia is completely demoralized and without adequate supplies of munitions and food, the Rome correspondent of the Daily Telegram reports today.

Heavy Fighting at Champaign.

Berlin, Mar. 10.—Heavy fighting is being continued in the Champaign region, the war office announced today. The Russians, led by French officers, attacked the Germans on both sides of the Proencs. Sharp fighting on the eVrdun front has also been reported.

DOWDEN BOYS INJURED

Sustain Painful Injuries of Left Hand When Emery Wheel Files To Pieces.

Jess and Arthur Dowden, two sons of Sheriff John F. Dowden, suffered painful injuries this morning when the emery wheel which they were running flew to pieces.

The boys who are running the Dowden farm, eight miles northeast of Maryville, were operating the emery wheel by means of a gasoline engine. They ran the wheel with such speed that it flew to pieces, portions of it scattering in all directions. Each boy sustained a lacerated wound on his left hand. Dr. C. T. Bell was called and dressed the wounds. He says that nothing serious will result, if no infection takes place.

Mrs. Kluth Operated On.

Mrs. Kluth of near Pickering underwent an operation this morning at the St. Francis hospital.

CONVENE APRIL 16

PRESIDENT WILSON CALLS FOR EXTRA SESSION THEN.

STONE TO KEEP PLACE

Retains Position As Chairman of the Foreign Relations Committee—Johnson Won't Be Senator.

Special to The Democrat-Forum.

Washington, Mar. 10.—In response to a request from Speaker Champ Clark that President Wilson let the members of the house and senate know of his intentions regarding an extra session at once, the President authorized Secretary Tumulty to announce that a special session of congress would be called for April 16.

It was also learned definitely that some American ships sailing from the submarine zone will be armed by the government at once. Preliminary arrangements have been completed, and it is expected that vessels will be ready to sail in the near future.

The president decided to arm ships after getting formal opinions from Attorney General Gregory and Secretary Lansing that he had such authority in spite of old statutes which some believed forbade it.

President Wilson has the backing of the entire cabinet in taking the step. The following statement was issued:

"Secretary Tumulty stated in connection with the president's call for an extra session of congress that the president is convinced that he has the power to arm American merchant ships and is free to exercise it at once. But so much necessary legislation is pressing for consideration that he is convinced that it is for the best interests of the country to have an early session of the sixty-fifth congress, whose support he will also need in all matters collateral to the defense of our merchant marine."

Will Not Lose Chairmanship.

Washington, Mar. 10.—Senator Stone will not lose the chairmanship of the Foreign Relations committee. This was definitely established today after the joint organization committee concluded its labors, agreeing to report Monday to the Democratic caucus.

Merchantman May Shoot First.

Washington, Mar. 10.—An armed American merchantman, when followed by a German submarine will be at liberty to shoot before being attacked. The state department made this clear today. The merchantman may go the assumption that because of Berlin's announcement of unrestricted submarine warfare, there is to be no warning and accordingly no rules need to be obeyed.

Governor Johnson to Resign.

Sacramento, Calif., Mar. 10.—Governor Johnson will not resign his governorship but will resign his place as United States senator. Such is the report which struck the Capitol today like a thunderbolt.

*She Blamed Her Neighbors for It;
But Jack Frost Was the Culprit*

The telephone in the City Hall jangled. Silence. It rang again. Lee O'Grady, collector for the Water Company went over to the desk and took up the receiver. "Hello," he said. "Hello, is the Mayor there?" came over the wire in feminine tones. "No." "Is the chief of police there?" "No, he isn't." "Well, who is this?" was the impatient query. "Lee O'Grady," said the patient listener.

"Well, I'll tell you what I want. The neighbors down here are getting mighty smart. Last night while I was asleep, some of them came over and washed my walk off, and now I'll tell you I'm able to wash my own walk off. I want these people to attend to their own business. That's what I wanted with the police, to see if I couldn't make them let my walk alone."

The mayor did not investigate, for he knew that each morning the walks are covered with a coating left by Jack Frost, who is reluctantly coming out of the ground and making way for balmy spring.

Do You Believe In God? Then Outwardly Manifest It by Going to Church.

IT is not enough for one to say that he lives a righteous life and that he believes in a Supreme Being. He must give OUTWARD MANIFESTATION of that belief.

There is only one way that a man can give OUTWARD MANIFESTATION of his belief in and love of God, and that is by GOING TO CHURCH. The church is the home of God. He reigns there. On great feast days like Easter, Thanksgiving, Christmas and New Year's the churches are filled to overflowing. People GO TO CHURCH to honor God and thank him for his blessings. Don't wait for these feast days to GO TO CHURCH and then stay away from church for the remainder of the year. EVERY SUNDAY is a feast day of the church.

AS A RESULT OF THE COUNTRY WIDE GO TO CHURCH MOVEMENT THERE HAS BEEN A SPLENDID INCREASED ATTENDANCE IN THE CHURCHES. BUT THERE ARE MANY WHO HAVE BEEN DEAF TO THE CALL. IF YOU ARE ONE OF THESE, MAKE UP YOUR MIND TO GO TO CHURCH NEXT SUNDAY. TELL YOUR WIFE OF YOUR RESOLUTION, AND NOTE THE PLEASSED LOOK ON HER FACE. TELL YOUR CHILDREN, AND IT WILL MAKE AN IMPRESSION ON THEM FOR LIFE. A PARENT CAN ILL AFFORD TO ASK HIS CHILDREN TO GO TO CHURCH AND REMAIN AWAY FROM DIVINE SERVICE HIMSELF.

Going to church DOESN'T REQUIRE ANY GREAT SACRIFICE. The services are at a seasonable hour. They are not long. You surely MEET THE RIGHT KIND OF PEOPLE there. The sermons invariably are INSTRUCTIVE AND UPLIFTING. Try going to church next Sunday. See if you don't feel better for it. It will help you to overcome the temptations of the world. You'll hesitate before you do a wrong act. Sin brings its punishment; righteousness its reward. If you want to earn the reward of righteousness and avoid the punishment of sin, be a regular church attendant.

"THE BUGLER OF ALGIERS."

Fern Theatre Will Again Present Zoe
Rae in Charming Photoplay.

Little Zoe Rae, who was recently
elevated to screen stardom at the age
of six, when she appeared in the re-
cent Bluebird, "Gloriana," will have a
prominent role in "The Bugler of Al-
giers," to be exhibited at the Fern
theatre on next Monday in Bluebird
photoplays. Baby Rae will be pleas-
ingly recalled as the exponent of the
maxim "Charity Begins at Home," as
exemplified in "Gloriana," and her
winsomeness and remarkable talents
will be as conspicuously shown in "The
Bugler of Algiers." Children on the
screen are many, and their talents
seems to vary—but little Zoe Rae has
shown artistry, clever far beyond her
years. Ella Hall will be the star of
"The Bugler of Algiers," returning to
her legion of friends after long ab-
sence from the screen. Rupert Julian
who produced the play, will be her
leading man and Kingsley Benedict
will be prominent in her support.

The Juniors challenged the Seniors
of the Maryville High School to a
basketball game before the King City
game last night at the Normal gymna-
sium. The result of the challenge was
that the Juniors were defeated by a
score of 5 to 4.

The program of the assembly held
Friday afternoon at the High School
was as follows: The school sang some
of the school songs after which the
students were favored with two vocal
selections by Miss Leeta Wray, ac-
companied by Miss Leska Wray and
Ralph Yehle. Eugene Yehle, president
of the Athletic association, gave a talk
on the "Results of This Year's Basket-
ball Season." The last basketball as-
sembly closed with two yells, one for
the team and one for Coach Schultz.

This week is the beginning of the
second six weeks of the Spring term
of 1917. The six week's cards were
given out Monday evening.

Preparations are being made for the
next edition of the High School Opin-
ion, which will be published some time
during this six weeks.

Coach Schultz is going to start some
time during this week with track work
so that the boys will be in good shape
for the track meet held here in April.

After the game with King City last
night, Miss Carpenter and twelve sen-
ior girls of the Domestic Science de-
partment gave the members of the two
teams and Mr. Magee a "feed," which
was very much appreciated by all who
attended. The "feed" was served in
Miss Carpenter's sewing room, which
was decorated in the school colors,
with candles on the tables and around
the room. Victrola selections were
played while the guests ate. The

CONGRESSMAN BOOHER BACK

Arrived in St. Joseph Yesterday Ac-
companied by His Wife and
Daughter.

Congressman Charles F. Booher of
this district, reached St. Joseph yester-
day on his return from the national
capitol, where one of the most in-
teresting and exciting sessions of con-
gress since the time of the civil strife
ended on last Saturday night. Con-
gressman Booher was accompanied by
his wife and daughter, who had spent
the winter with him in Washington.
They left shortly after their arrival
here for Savannah where Mr. Booher
hopes to enjoy a few days of rest—
unless an extra session is called, which
now seems highly probable.

Congressman Booher looks well —
and is well—despite the fact that he
has not had a day of rest since he
left here last December to enter upon
his duties for the session. Congress-
man Booher is known as one of the
hardest working men in that legislative
body, and is always at his desk when
congress is in session as the roll call
will show—and likewise as his vote
will show, for he is recorded on every
measure that has been voted on in the
session just closed—as he was at all
previous sessions.

"It was a most extraordinary and
most intensely interesting session,"
said Mr. Booher, "and one that I re-
gard as of great moment in the his-
tory of the American people. There
was much to do—and there were
many crucial and momentous hours
in the life of the session just closed—
many more than ordinarily fall to the
average lifetime of any man—but so
far all of them under the guidance
of our great president were safely
and honorably passed as I trust that
they will be in the dim and uncertain
future."—St. Joseph Observer.

Shake Off That Grip

When Spring comes, with its changeable weather
and your exposure, it is best to clear away all the
symptoms left after an attack of grip. That evil
disease leaves you weakened, and when its victim
attempts to "do his bit" he exposes himself to the risk of a second
attack, for which he is less prepared, and which may have graver
consequences.

There's Danger in Delay

April and May are pneumonia months. In this time a weak-
ened system is a constant source of danger, for the pneumonia
and grip infections are in the air, and after a long winter the
body is so clogged with waste it cannot resist them. Fortify
the health, remove the catarrh, and improve the digestion.

For Quick Relief PERUNA

This reliable tonic is recommended to remove the waste
from the body, counteract the catarrhal poisons and allay the
inflammation that is catarrh, restore the regular appetite and
tone up the entire system to resist disease. A well man is safe.

As a tonic after grip it has won many commendations, while its effect-
iveness in catarrhal conditions is unquestioned. Take no chances—Take
Peruna.

Peruna Tablets are always ready to take. You may carry a box
with you and ward off colds and chill. The liquid medicine in your
home is a great safeguard. Protect your family.

AT GUILFORD HIGH SCHOOL

Students Form A Literary Society
Which Is Doing Excellent Work
In Debate.

(N. Glenn Anderson)

The Guilford High School has been
doing some excellent work this winter.
In connection with the school work re-
quired, the students have formed a
literary society. This society has had
programs each Friday consisting of
recitations, songs, and other amuse-
ments.

On March 2, the second debate was
held between the Guilford High School
and the Ravenwood High School at the
South Methodist church in Guilford.

Guilford chose the subject for debate
and Ravenwood the side for defense.
The subject for debate was, "Resolved,
That a Tariff For Revenue Only Is
of More Benefit to the People of the
United States Than a Protective Tar-
iff." The Guilford band played a few
selections on the street and then
marched to the church. There a large
crowd assembled. After the High
School orchestra had played a few se-
lections the debate began. There were
five debaters on each side. The de-

baters on the Guilford team were: Ira
Young, Samuel Wells, Bernice Man-
ship, Bernice Hildebrand and Wilburn
Wallace. They held the attention of
the crowd by their strong arguments.
The judges who were, Rev. O. E. Lock-
art of Guilford, Miss Cletta Rasco, of
Barnard and Rev. R. M. Wetzel of
Havenwood, decided in favor of Guil-
ford.

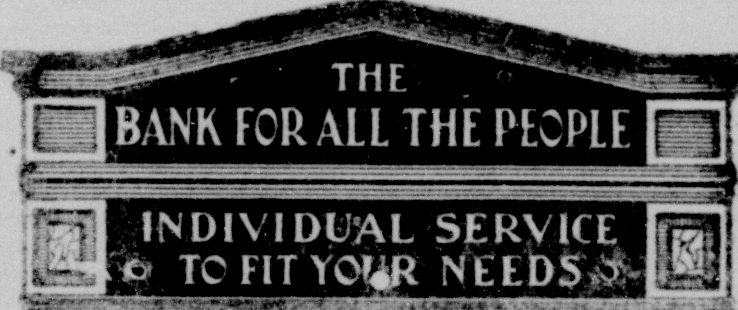

On Saturday, March 3, the society
entertained a few of their friends to
celebrate the victory of Friday night.
Games, contests and music furnished
amusement for the guests. The rooms
were decorated in the society colors,
purple and white. Refreshments were
served to those present.

WHAT THE EDITOR'S NODAWAY SCISSORS FOUND.

BARNARD BULLETIN.

J. W. Miller left Tuesday for a three week's visit with his father in St. Petersburg, Florida. He is also looking after some business there.

Geo. W. Cole left Sunday for Excelsior Springs, where he will remain a week or more in an effort to regain his vitality. He has been ill this winter and hopes that this vacation will do him good.

Ted Crain, with his new wood saw has been passing through this vicinity the past week. Some having wood sawed are: Ralph Thrasher, Wesley Leedy, Carl Hagg, Ray Thrasher and Everett Davis.

CONCEPTION COURIER.

W. R. Findley, who has for the past two or three months been conducting a cleaning and pressing business here with headquarters at the barber shop of his father-in-law, E. E. Bond, left Friday morning for Kansas City, where he will resume his old position in the pressing department of the German-American Clothes Cleaning Co.

Mrs. Burman Wells of near Skidmore visited from Thursday until Monday at the home of her parents, Mr. and Mrs. F. S. Williams. Her husband came Saturday and accompanied her home.

Mrs. John Metcalf and son, Ed., motored up from St. Joseph Thursday, and visited at the home of Mr. and Mrs. Joe Voelker, in Clyde. They returned home Friday.

PARNELL SENTINEL.

Julius Klaas and wife, who have been spending the winter in Oakland, Calif., returned to their home at Clyde Tuesday of last week. Mr. Klaas was in Parnell the latter part of last week visiting relatives and friends. He says California is a nice state to visit in. If you have plenty of money, but says there is no place in the world that will beat northwest Missouri. He said the weather was cool all the time. Eggs sold for 50 cents per dozen, onions for 12 cents per pound, and other things in proportion.

Chas. Newcomb, besides being a farmer and a berry man, is somewhat of a poultry raiser. During the year 1916 he says he sold 16,586 eggs for which he received the sum of \$222.91. He has 200 hens of different breeds, most of them being brown Leghorns. He did not keep an account of the amount consumed at home, nor did he sell any poultry. He wants to know who can beat it?

HOPKINS JOURNAL.

Captain James Ewing of Hopkins is one of the few Mexican war veterans still living. The Captain is 91 years of age and was able to call at the Journal office Tuesday to renew for the paper. His eyesight bothers him about as much as anything, having lost the sight of the right eye in the Mexican war and the other one is now weak. Otherwise, he is feeling quite well for a man of his advanced years and thinks he may live to reach the century mark. He came to Hopkins when the town was new, forty-six years ago.

Miss Myrtle Moore, of Eaton, Colo., is visiting relatives and old friends in and near Hopkins, expecting to return west Sunday. Her many friends are pleased to see her looking so well.

For a bank in a town the size of Hopkins to receive in deposits in one day more than one hundred thousand dollars is an item worth publishing. The deposits of the Farmers and Merchants Bank of this city on March 1, 1917, being \$104,317.53. This speaks well for Hopkins as well as being a boost for the bank.

BURLINGTON JUNCTION POST.

T. J. Schubert of Brodhead, Wis., arrived in Burlington Junction this morning and will manage the "Good Quality Store" for Mrs. Catherine Gebbeken. Mr. Schubert is an experienced shoe man, both in the manufacture and repair of shoes.

R. P. Hosmer says that his sales week before last amounted to \$41,200 and that his mid-month sale in Maryville amounted to more than \$10,000, according to the Barnard Bulletin. With corn selling at \$1.00 and over per bushel and any old scrub of a cow bringing \$100 things look pretty good for the farmer.

James O. Stafford, living southwest of Burlington Junction has bought the Geo. A. Surface farm of T. A. Corken. The farm consists of 196 acres and was bought by Mr. Corken several weeks ago. It adjoins the corporation of Burlington Junction on the southwest. James' father, O. P. Stafford, will live on the farm this summer, and the owner will probably move to it in the fall.

Frank Adams bought his usual number of horses on his trip in Nodaway and Holt county last week, shipping two loads to St. Louis and having several more in his yards above the shipment. He never fails to get them.

Bevo

REG. U.S. PAT. OFF.
A BEVERAGE

Cold Weather Notice

Keep in mind the fact that Bevo, being a soft drink, will freeze at 32° Fahrenheit—just like any other non-alcoholic beverage. Be careful about this, as freezing affects the rich fullness of that delightful Bevo flavor which goes so particularly well with a meal or a bite to eat.

If Bevo were merely a summer beverage this warning might not be so timely—but, as all who drink it know—

Bevo is an all-year-'round drink

Everybody enjoys it for more than just its thirst-quenching qualities—the pleasure it gives comes from its flavor, purity and wholesome nutritiousness—the enjoyment of these qualities is independent of time or season.

To get full pleasure out of Dutch lunches, Welsh rarebits, oysters, clams, lobsters, sausage, cheese and many other such delicious edibles, Bevo should be included.

Serve it with your meals too. Everyone at the table will enjoy the zest it adds to eating

and will profit besides by its pure wholesomeness.

In short—Bevo is the ideal beverage with meals and between meals, every day in the year for everybody—young and old.

You will find Bevo at inns, cafeterias, restaurants, groceries, department and drug stores, soda fountains, dining cars, steamships, canteens, soldier's homes, navy, and other places where refreshing soft drink beverages are sold.

Demand the genuine—have the bottle opened in front of you—see that the seal is unbroken covering the crown top and see that the crown top bears the Fox.

Have your dealer, druggist or grocer supply you by the case

TWO-THIRDS GIVEN

FEW HOURS' COLLECTION ALMOST ASSURES BAND'S STAY.

JOB HAS BEEN EASY

W. C. Pearson Says That Few Persons Refused to Contribute to the Fund, So Far.

Two-thirds of the money necessary to keep the Fourth Regiment band in Maryville, has already been pledged although the committee has worked but a few hours each day for three days. This is a splendid testimony, not only to the band boys who made a great showing on their return from the border, but also to the spirit of the Maryville people, who realize the value of a band in the town and who will do almost anything to keep it here.

Mr. Pearson, who with Mr. Buhler, is doing the collecting said today that the task of getting the money was easy and that nearly every business place visited up to this time had willingly and gladly donated to the cause, and that only three persons had refused to donate to the fund. Mr. Pearson also said that about forty-five business men who were sure to give their share toward keeping the band, had not yet been seen, but would be approached on the matter within the next few days. These men will no doubt make summer concerts in Maryville a certainty.

Added to the roll of honor yesterday were: Edwards Cafe, Capt. Charles Hyslop, Dr. C. D. Koch, C. L. Gann, E. C. Phares Lumber company, R. S. Braniger, Charles Buhler, D. O. SEASON DEVELOPS A STAR

Loren Egley, Captain of High School Basketball Team Scored 186 Points in Ten Games

The game last night closed the season for the High School. Ten conference games were played with the strongest teams that could be found. Two games were won from Stanberry and Chillicothe and one from King City. Two were lost to Albany and St. Joseph Benton and one to King City. This gives a record of five games won and five lost, a percentage of .500. The season can not be regarded otherwise than successful. Had it not been for injuries and sickness in the last part of the season, the team would have made an even stronger showing. In the ten games the team scored 300 points to their opponents' 274.

The season developed a real star in the person of Loren Egley, who captained the team. In the ten games in which he took part, this youth scored a total of 186 points. His record for field goals is 67, an average of almost seven per game. He also tossed in 32 free throws during the season. When the strength of the opposition taken into consideration this season's performance seems phenomenal.

Egley will be in school again next year and should have an even more successful season. He is said to be slated for an All-star berth, the second Maryville man to win the coveted position in as many years.

PRaises MISS ETHEL WELLS

Manager of Bluebird Photoplay Says She Had It Over Most of the Contestants.

George H. Bowles, manager of the Bluebird Photoplays Company, speaks very highly of Miss Ethel Wells, who was sent by the Fern Theatre management to compete in the Picture Show Contest in Kansas City the first of the week. Mr. Bowles writes: "I was mighty glad to meet Miss Wells, and found her a very captivating young woman. Sorry she could not be the young lady selected to go to Universal City, but to my mind she had it over most of the contestants. It was impossible to have pictures taken with some of the stars, as we were all rushed to death and did not have as many as we expected."

MAY BE CHAMPIONS

NORMAL STANDS A GOOD CHANCE FOR BASKETBALL HONOR.

WON 5 GAMES; LOST 2

Championship Committee Will Decide Chances With Those of Springfield and Central-Wesleyan.

Although the Normal basketball season has closed they may yet win the championship of the Missouri Inter-Collegiate Athletic association. Prof. Walter Hanson this morning received a letter from Dan Nee, president of the association, asking for the standing of Maryville, Springfield and Central Wesleyan, in order that the Championship committee may award the championship now instead of after school closes. He stated that the championship lay between the three above mentioned teams.

Maryville now has a record of five games won and two lost. Springfield, which is now leading the conference, was defeated Thursday night by Drury, score 25-27. This defeat places Maryville in the running for championship. Springfield had already lost one game and they have one yet to play, with Central Wesleyan. If Central wins, Springfield will be eliminated and the championship will lie between Central and Maryville.

Prof. Hanson, who is secretary of the association, has not yet received Central's report for the season, but he believes that the championship will be awarded to Maryville should Springfield lose to Central. In case a tie results, it will be played off at Kansas City on a neutral court, probably on that of the Kansas City Athletic club.

H. S. SCORE 36-11

KING CITY QUINTET COMPLETELY OUT-CLASSED LAST NIGHT.

EGLEY'S GOOD SHOWING

As Forward He Piled Up Ten Goals, Nine of Them in the Last Half.

The Maryville High School basketball team successfully closed its season last night by defeating the King City quintet by a score of 36-11. After the first five minutes of play the game was never in doubt. After seeing the two teams in action, the greatest wonder is how King City ever managed to beat Maryville in the game at King City.

In the first half both teams played poor basketball. King City scored first on a field goal by Crume. Maryville soon tied it up on a field goal by Holmes and a moment later Egley tossed in a free throw that put Maryville in the lead. From that time on King City was never dangerous. Still the game was close enough to be interesting. The half ended with the score 14-9 in favor of Maryville.

In the first half the dash and spirit which has characterized the team's playing throughout the season was lacking. But when the second half began, spectators saw a new team. Egley who was badly off form during the first part of the game was distinctly "right," and with the team putting up one of the classiest exhibitions of floor work they have ever shown, the King City team was completely outclassed.

The whole Maryville team was playing in championship form. The guards kept the ball out of the hands of their opponents and the King City forwards were unable to score a single field goal. The score for the second half was 22-2. King City making both their points on free throws.

For Maryville, the shining light was Egley. As stated before he was badly off in form in the first half, but in the second he tossed in goal after goal until he piled up a total of ten goals, nine of them coming in the last half. He also made four free throws out of nine chances.

Holmes played a good guarding and passing game as well as making three field goals. Groppe, as usual, was the center around which the floor work for Maryville revolved. He also shot one field goal.

The work of the Maryville guards has already been commented upon. Besides holding his man scoreless, Martin bagged two beautiful long shots. As for Woodward, it is enough to say that he played his usual game. When he was forced to take time out because of a slight injury, a feminine voice was heard to cry out in tragic tones, "Oh, Rusty! We can't lose you."

For King City, Crume starred with three field goals and three free throws out of eleven chances. Gray at guard also showed up well. He made one field goal.

The line-up for last night's game was as follows:

King City—Forwards, Crume and Aldridge; center, Campbell; guards, Ward and Gray.

Maryville—Forwards, Egley and Holmes; center, Groppe; guards, Woodward, Martin and Pickens.

BLOCK THE SENATE

APPROPRIATION BILLS PREVENT ADJOURNMENT OF LEGISLATURE.

TOO MUCH MONEY WANTED

House Bills Now Pending Call for the Expenditure of \$2,000,000 in Excess of Revenue.

Special to The Democrat-Forum.

Jefferson City, Mar. 10.—The appropriation bills are blocking an early adjournment of the senate. If these bills were passed the senate could adjourn tomorrow. This means that most of the administration measures have received consideration and are well along on their way to Governor Gardner. However, the calendar still is jammed with bills of lesser importance that are awaiting final consideration.

Final adjournment date depends entirely upon the appropriation bills. In this connection, the governor has hinted that, both in the house and senate, too many bills calling for the expenditures have been introduced. In the house alone bills now pending in the Committee on Appropriations call for a total estimated expenditure by the state for 1917 and 1918 to \$17,000,000, or more than \$2,000,000, in excess of the revenue estimated for the two years.

Governor Gardner today reiterated his statement that he would not sign an appropriation bill carrying a greater total than the estimated revenue. "The legislature will have to cut the appropriations or I shall do it," the governor said.

MARYVILLE IS WRITTEN UP

Merchants Trade Journal Carries 2-Page Article On "How We Do Things in Maryville."

Maryville as one of the most enterprising cities of her size in Missouri is rapidly taking her place in the world of publicity, and it will not be long before "How do they do in Maryville?" will be a common question, when cities wish to start anything.

The Merchant's Trade Journal of this week has a 2-page article, dealing with our successful Trade Week, held just before Christmas. Shortly after we had put Trade Week down on our list of successful 1916 accomplishments, a representative of the Trade Journal came to Maryville to find out how we did it. He investigated the situation from every angle and his article is full of praise for the Commercial Club, for the merchants and for the citizens, who helped the movement by trading in their city or county. Of the Commercial Club, he writes:

"To the Maryville Commercial Club, and to its secretary, E. M. Claypool, must be given the credit for Trade Week advertising, together with the co-operation and enthusiasm which the majority of the merchants put forth to make the affair a success."

About the Commercial Club in general, he writes:

"Maryville bears the distinction of having a greater percentage of residents as members of the Commercial Club than the average town or city over the country. The average percentage of the population in the majority of towns is 1.5-10 per cent, while in Maryville it is 1.7-10 per cent."

A complete explanation of the Commercial Club credit-rating system completes the article.

ABOUT ALDERMAN-YEHLE

St. Joseph Service Magazine Writes of Business Enterprise of One of Maryville's Stores.

The St. Joseph Service Bureau Bulletin has the following about one of Maryville's stores in its issue this week:

"Alderman-Yehle Dry Goods Company, Maryville Mo., wanted to build a foundation for a good mailing list. They didn't want a mere collection of general names. This store does a good business in dress patterns. That department is not profitable in itself, but it does help considerably in turning the sale of dress goods, trimmings and the like. In fact it is one of the best little trade boosters they have around the store."

"Mr. Yehle in casting around for some suitable starting point to gather names for his direct-by-mail publicity, bethought himself of his dress pattern customers. Why should they not know some likely prospects? That is exactly where he commenced! He figured that with spring only a few weeks off his first letter could be devoted to his dress goods stocks. So each woman who bought a dress pattern received a letter asking her to send in the names and addresses of twenty-five of her friends who would like to receive a Pattern Fashion sheet. In return for the names the woman was to receive a pattern free."

"In this way the store secured over 1,000 names as counted after the duplicates had been eliminated. They still look for more. And the entire cost of the enterprise was not over \$20. We consider that a good piece of business."

CONVENE APRIL 16

PRESIDENT WILSON CALLS FOR EXTRA SESSION THEN.

STONE TO KEEP PLACE

Retains Position As Chairman of the Foreign Relations Committee—Johnson Won't Be Senator.

Special to The Democrat-Forum.

Washington, Mar. 10.—In response to a request from Speaker Champ Clark that President Wilson let the members of the house and senate know of his intentions regarding an extra session at once, the President authorized Secretary Tumulty to announce that a special session of congress would be called for April 16.

It was also learned definitely that some American ships sailing from the submarine zone will be armed by the government at once. Preliminary arrangements have been completed, and it is expected that vessels will be ready to sail in the near future.

The president decided to arm ships after getting formal opinions from Attorney General Gregory and Secretary Lansing that he had such authority in spite of old statutes which some believed forbade it.

President Wilson has the backing of the entire cabinet in taking the step. The following statement was issued:

"Secretary Tumulty stated in connection with the president's call for an extra session of congress that the president is convinced that he has the power to arm American merchant ships and is free to exercise it at once. But so much necessary legislation is pressing for consideration that he is convinced that it is for the best interests of the country to have an early session of the sixty-fifth congress, whose support he will also need in all matters collateral to the defense of our merchant marine."

Will Not Lose Chairmanship.

Washington, Mar. 10.—Senator Stone will not lose the chairmanship of the Foreign Relations committee. This was definitely established today after the joint organization committee concluded its labors, agreeing to report Monday to the Democratic caucus.

Merchantman May Shoot First.

Washington, Mar. 10.—An armed American merchantman, when followed by a German submarine will be at liberty to shoot before being attacked. The state department made this clear today. The merchantman may go the assumption that because of Berlin's announcement of unrestricted submarine warfare, there is to be no warning and accordingly no rules need to be obeyed.

Governor Johnson to Resign.

Sacramento, Calif., Mar. 10.—Governor Johnson will not resign his governorship but will resign his place as United States senator. He will make this announcement Monday. Such is the report which struck the Capitol today like a thunderbolt.

She Blamed Her Neighbors for It; But Jack Frost Was the Culprit

The telephone in the City Hall jangled Silence. It rang again. Lee O'Grady, collector for the Water Company went over to the desk and took up the receiver. "Hello," he said. "Hello, is the Mayor there?" came over the wire in feminine tones. "No." "Is the chief of police there?" "No, he isn't." "Well, who is this?" was the impatient query. "Lee O'Grady," said the patient listener.

"Well, I'll tell you what I want. The neighbors down her are getting mighty smart. Last night while I was asleep, some of them came over and washed my walk off, and now I'll tell you I'm able to wash my own walk off. I want these people to attend to their own business. That's what I wanted with the police, to see if I couldn't make them let my walk alone." The mayor did not investigate, for he knew that each morning the walks are covered with a coating left by Jack Frost, who is reluctantly coming out of the ground and making way for balmy spring.

Do You Believe In God? Then Outwardly Manifest It by Going to Church.

It is not enough for one to say that he lives a righteous life and that he believes in a Supreme Being. He must give OUTWARD MANIFESTATION of that belief.

There is only one way that a man can give OUTWARD MANIFESTATION of his belief in and love of God, and that is by GOING TO CHURCH. The church is the home of God. He reigns there. On great feast days like Easter, Thanksgiving, Christmas and New Year's the churches are filled to overflowing. People GO TO CHURCH to honor God and thank him for his blessings. Don't wait for these feast days to GO TO CHURCH and then stay away from church for the remainder of the year. EVERY SUNDAY is a feast day of the church.

AS A RESULT OF THE COUNTRY WIDE GO TO CHURCH MOVEMENT THERE HAS BEEN A SPLENDID INCREASED ATTENDANCE IN THE CHURCHES. BUT THERE ARE MANY WHO HAVE BEEN DEAF TO THE CALL. IF YOU ARE ONE OF THESE, MAKE UP YOUR MIND TO GO TO CHURCH NEXT SUNDAY. TELL YOUR WIFE OF YOUR RESOLUTION, AND NOTE THE PLEASSED LOOK ON HER FACE. TELL YOUR CHILDREN, AND IT WILL MAKE AN IMPRESSION ON THEM FOR LIFE. A PARENT CAN ILL AFFORD TO ASK HIS CHILDREN TO GO TO CHURCH AND REMAIN AWAY FROM DIVINE SERVICE HIMSELF.

Going to church DOESN'T REQUIRE ANY GREAT SACRIFICE. The services are at a seasonable hour. They are not long. You surely MEET THE RIGHT KIND OF PEOPLE there. The sermons invariably are INSTRUCTIVE AND UPLIFTING. Try going to church next Sunday. See if you don't feel better for it. It will help you to overcome the temptations of the world. You'll hesitate before you do a wrong act. Sin brings its punishment; righteousness its reward. If you want to earn the reward of righteousness and avoid the punishment of sin, be a regular church attendant.

"THE BUGLER OF ALGIERS."

Fern Theatre Will Again Present Zoe

Rae in Charming Photoplay.

Little Zoe Rae, who was recently

elevated to screen stardom at the age

of six, when she appeared in the recent

Bluebird, "Gloriana," will have a

prominent role in "The Bugler of

Algiers," to be exhibited at the Fern

theatre on next Monday in Bluebird

photoplays. Baby Rae will be pleas-

ingly recalled as the exponent of the

maxim "Charity Begins at Home," as

exemplified in "Gloriana," and her

winsoneness and remarkable talents

will be as conspicuously shown in "The

Bugler of Algiers." Children on the

screen are many, and their talents

seems to vary—but little Zoe Rae has

shown artistry, clever far beyond her

years. Ella Hall will be the star of

"The Bugler of Algiers," returning to

her legion of friends after long ab-

sence from the screen. Rupert Julian

who produced the play, will be her

leading man and Kingsley Benedict

will be prominent in her support.

ARBOR DAY, APRIL 13.

Designating Planting Day.

Special to The Democrat-Forum.

Jefferson City, Mar. 9.—Governor

Gardner yesterday issued a proclama-

tion designating Friday, April 13, as

Arbor Day in the public schools. It is

the custom for school pupils to devote

a part of Arbor day to planting trees

and shrubbery of various kinds. A

program for the day will later be an-

nounced by the state superintendent of

public schools.

A. R. Harper went to St. Joseph yester-

day to attend the automobile show.

V. S. Martin of King City is visiting

HIGH SCHOOL NOTES

By "Press"

The Sophomores of the Maryville

High School met for the first time

Thursday night, after school to ar-

range for a Sophomore class party,

March 22. The committees appointed

for the party were as follows: En-

tertainment committee, Mabel Fraser,

chairman, Mabel Cook, Nile Selecman,

and Randolph Holt; Refreshment com-

mittee, Wilda Keef, chairman, Melba

Appleby, Mildred Eckert, Mildred

Shinabargar, Vivian Lyle, and Clio

Coler; Finance committee, Forrest

Hutchinson, chairman, Lynn Auten,

Mildred Nicholas, Marie Price. There

are 29 members of the class, who are:

Mary Louise Andrews, Melba Appleby,

Lynn Auten, Lacy Auten, Stella Brown,

Clio Coler, Mabel Cook, Roland Cur-

nutt, Mildred Eckert, William Engel-

mann, Willy Foster, Mabel Fraser,

Kate Hilsabeck, Randolph Holt, Har-

old Houchens, Dale Hughes, Forrest

Hutchinson, Mary Irvin, Viola Keef,

Joe Kemp, Vivian Lyle, Creston Maul,

Bert McDonald, Sadie Neal, Margaret

Norris, Alice Perry, Claude Pierpoint,

John Price, Harry Price, Marie Price,

James Robinson, Vesta Rogers, Frank

Russell, Nile Selecman, Mildred Shin-

abargar, Alma Tabler, Halcott Tool,

Odessa Wells, and Roberta Wells.

The Juniors challenged the Seniors

of the Maryville High School to a

basketball game before the King City

game last night at the Normal gymna-

sium. The result of the challenge was

that the Juniors were defeated by a

score of 5 to 4.

The program of the assembly held

Friday afternoon at the High School

was as follows: The school sang some

of the school songs after which the

students were favored with two vocal

selections by Miss Leeta Wray, ac-

companied by Miss Leska Wray and

Ralph Yehle. Eugene Yehle, president

of the Athletic association, gave a talk

on the "Results of This Year's Basket-

ball Season." The last basketball as-

sembly closed with two yells, one for

the team and one for Coach Schultz.

This week is the beginning of the

second six weeks of the Spring term

of 1917. The six week's cards were

given out Monday evening.

Preparations are being made for the

next edition of the High School Op-

inion, which will be published some time

during this six weeks.

Coach Schultz is going to start some

time during this week with track work

so that the boys will be in good shape

for the track meet held here in April.

After the game with King City last

night, Miss Carpenter and twelve sen-

ior girls of the Domestic Science de-

partment gave the members of the two

teams and Mr. Magee a "feed," which

was very much appreciated by all who

attended. The "feed" was served in

Miss Carpenter's sewing room, which

was decorated in the school colors,

with candles on the tables and around

the room. Victrola selections were

played while the guests ate. The

twelve senior waitresses were dressed in the school colors. The menu was as follows: Fruit cocktail, creamed chicken in patties with olives, pickles, and sandwiches and cheese balls, fruit salad with cheese sticks, ice cream and cake and coffee. Those present from King City were: Livengood, coach, Crume, Aldridge Campbell, Ward, Gray, Norris and Decassett. Those from Maryville were: Magee, Schultz, Egley, Holmes, Woodward, Martin, Pickens, Lewis, Hutchison and Yehle.

WHAT THE EDITOR'S NODAWAY SCISSORS FOUND.

BARNARD BULLETIN.
J. W. Miller left Tuesday for a three week's visit with his father in St. Petersburg, Florida. He is also looking after some business there.
Geo. W. Cole left Sunday for Excelsior Springs, where he will remain a week or more in an effort to regain his vitality. He has been ill this winter and hopes that this vacation will do him good.

Ted Crain, with his new wood saw has been passing through this vicinity the past week. Some having wood sawed are: Ralph Thrasher, Wesley Leedy, Carl Hagg, Ray Thrasher and Everett Davis.

CONCEPTION COURIER.

W. R. Findley, who has for the past two or three months been conducting a cleaning and pressing business here with headquarters at the barber shop of his father-in-law, E. E. Bond, left Friday morning for Kansas City, where he will resume his old position in the pressing department of the German-American Clothes Cleaning Co.

Mrs. Burman Wells of near Skidmore visited from Thursday until Monday at the home of her parents, Mr. and Mrs. F. S. Williams. Her husband came Saturday and accompanied her home.

Mrs. John Metcalf and son, Ed., motored up from St. Joseph Thursday, and visited at the home of Mr. and Mrs. Joe Voelker, in Clyde. They returned home Friday.

PARNELL SENTINEL.

Julius Klaas and wife, who have been spending the winter in Oakland, Calif., returned to their home at Clyde Tuesday of last week. Mr. Klaas was in Parnell the latter part of last week visiting relatives and friends. He says California is a nice state to visit in. If you have plenty of money, but says there is no place in the world that will beat northwest Missouri. He said the weather was cool all the time. Eggs sold for 50 cents per dozen, onions for 12 cents per pound, and other things in proportion.

Chas. Newcomb, besides being a farmer and a berry man, is somewhat of a poultry raiser. During the year 1916 he says he sold 16,686 eggs for which he received the sum of \$222.91. He has 200 hens of different breeds, most of them being brown Leghorns. He did not keep an account of the amount consumed at home, nor did he sell any poultry. He wants to know who can beat it?

HOPKINS JOURNAL.

Captain James Ewing of Hopkins is one of the very few Mexican war veterans still living. The Captain is 91 years of age and was able to call at the Journal office Tuesday to renew for the paper. His eyesight bothers him about as much as any thing, having lost the sight of the right eye in the Mexican war and the other one is now weak. Otherwise, he is feeling quite well for a man of his advanced years and thinks he may live to reach the century mark. He came to Hopkins when the town was new, forty-six years ago.

Miss Myrtle Moore, of Eaton, Colo., is visiting relatives and old friends in and near Hopkins, expecting to return west Sunday. Her many friends are pleased to see her looking so well.
For a bank in a town the size of Hopkins to receive in deposits in one day more than one hundred thousand dollars is an item worth publishing, the deposits of the Farmers and Merchants Bank of this city on March 1, 1917, being \$104,317.53. This speaks well for Hopkins as well as being a boost for the bank.

BURLINGTON JUNCTION POST.

T. J. Schubert of Brodhead, Wis., arrived in Burlington Junction this morning and will manage the "Good Quality Store" for Mrs. Catherine Gebbeken. Mr. Schubert is an experienced shoe man, both in the manufacture and repair of shoes.

R. P. Hosmer says that his sales week before last amounted to \$41,200 and that his mid-month sale in Maryville amounted to more than \$10,000, according to the Barnard Bulletin. With corn selling at \$1.00 and over per bushel and any old scrub of a cow bringing \$100 things look pretty good for the farmer.

James O. Stafford, living southwest of Burlington Junction has bought the Geo. A. Surface farm of T. A. Corken. The farm consists of 196 acres and was bought by Mr. Corken several weeks ago. It adjoins the corporation of Burlington Junction on the southwest. James' father, O. P. Stafford, will live on the farm this summer, and the owner will probably move to it in the fall.

Frank Adams bought his usual number of horses on his trip in Nodaway and Holt county last week, shipping two loads to St. Louis and having several more in his yards above the shipment. He never fails to get them.

Bevo

REG. U.S. PAT. OFF.
A BEVERAGE

Cold Weather Notice

Keep in mind the fact that Bevo, being a soft drink, will freeze at 32° Fahrenheit—just like any other non-alcoholic beverage. Be careful about this, as freezing affects the rich fullness of that delightful Bevo flavor which goes so particularly well with a meal or a bite to eat.

If Bevo were merely a summer beverage this warning might not be so timely—but, as all who drink it know—

Bevo is an all-year-'round drink

Everybody enjoys it for more than just its thirst-quenching qualities—the pleasure it gives comes from its flavor, purity and wholesome nutritiousness—the enjoyment of these qualities is independent of time or season.

To get full pleasure out of Dutch lunches, Welsh rarebits, oysters, clams, lobsters, sausage, cheese and many other such delicious edibles, Bevo should be included.

Serve it with your meals too. Everyone at the table will enjoy the zest it adds to eating

and will profit besides by its pure wholesomeness.

In short—Bevo is the ideal beverage with meals and between meals, every day in the year for everybody—young and old.

You will find Bevo at inns, cafeterias, restaurants, groceries, department and drug stores, soda fountains, dining cars, steamships, can-tees, soldier's homes, navy, and other places where refreshing soft drink beverages are sold.

Demand the genuine—have the bottle opened in front of you—see that the seal is unbroken covering the crown top and see that the crown top bears the Fox.

Have your dealer, druggist or grocer supply you by the case
